MESSAGE FROM THE PRESIDENT

We have been very busy at your club this spring and summer. We have done extensive excavating at the long range banks. New drain tile has been installed on the road going to the 865 yard bank and the road has

been improved. There was also some excavating done in the parking lot to divert the water away from the firing line. Negley's Water Service has installed a filtering system and UV lights on the well and the water is once again potable. We are now in the process of upgrading the electric service at the club house, garage and ranges, and that work should be completed before winter. Additionally, we are installing a walk-in cooler and making additional improvements in the kitchen. Finally, we are installing new walk ways at the 16 yard trap house for handicap accessibility.

Thanks to everyone who sold tickets and helped at the June drawing. JOB WELL DONE! Attendance at the meetings has been fantastic, and if you haven't been to a meeting in a while, come out and see what goes on. Please come out and express your ideas, suggestions for improvements and complaints.

**To the member who tore the mail slot off the wall in the archery range and stole the little bit of cash that was in the box, if you are that hard up for money, let the treasurer know and he will write you a check for \$20. It will save on the cost of repairs. Shame on you!!!!

Finally, have a safe hunting season and take a kid hunting – remember, they are the future of the sport.

--Jerry
