JUNE 7th WORK PARTY

The upcoming work party is especially important as we are going to begin to cover the shooting benches starting at 25 yards. We need carpenters as well as general labor. Breakfast is at 7 a.m. but if you can't be there that early, come when you can. We greatly appreciate any time you can devote.

JUNE 14th BIG GUN DRAWING

At the Annual Big Gun Drawing you can take a chance at 50 prizes including guns, optics and \$5,000 in cash. Tickets must be returned by 11 a.m. the day of the drawing (June 14). We need helpers for the day of the drawing as well as some extra grills for cooking on Saturday morning. Seating will be available both inside

(smoke-free for this event) and outside. Bring lawn chairs.

RECEIVING NEWSLETTERS BY EMAIL

There are many members now receiving club communication, including this newsletter, by email rather than regular mail. This saves our club postage and photocopying costs and is also sometimes more convenient for members. If you would like to be added to the email list, please visit our web site at www.shippensburgfishandgame.com and click on the email button to provide your email address or email us directly at webmaster@shippensburgfishandgame.com.

If you thought you were on our email list but have begun to receive the newsletter by regular mail, that means the email address we have on record for you is either no longer correct or your email provider is returning our mailings. In either case, if you notify us using the method above, we will be happy to work with you to resolve the issue.

MESSAGE FROM THE PRESIDENT

I would like to thank all of the members who have approached me personally as well as the officers with their suggestions for activities and events. Two ideas which are currently in the planning stages are a Sock Hop (Oldies Night) which will be held September 27, 2008 and a summer family picnic. The Sock Hop will be limited to 150 couples at a cost of \$10 per couple. Tickets will be available starting at the July meeting. We hope to announce the date for the summer picnic at the June meeting.

I encourage each of you to come out to a general membership meeting to learn more about what YOUR club is doing. As always, we also hope you will continue to express your comments and suggestions – don't forget, you can email us through the web site and your message will get forwarded to the appropriate person. Have a fun summer, and remember – safety first.
