## • SHIPPENSBURG FAIR – HELP NEEDED RANGES AND FACILITIES

Volunteers are needed to man our booth at the fair July 26 through 31. Our busiest times are Thursday, Friday and Saturday evenings from 7 to 9 PM. If you can help us out for a few hours, please stop by our building.

## RANGE NEWS

Over a period of the next few months, we will be making significant improvements to the ranges and roads. Please watch the web site's home page for notices of the dates when this work will take place. We will make every effort to post range closings due to this work as

soon as we are made aware. Please keep in mind, however, that both weather conditions and the contractor's availability must be taken into account so we will have to remain flexible.

As always, if you arrive at the range when regular grounds maintenance such as mowing is taking place, please contact the volunteer doing the work to let them know you are there to shoot. It may be that they can accommodate you.

## MESSAGE FROM THE PRESIDENT

I would like to personally thank each member for a great year so far. We have had two very successful gun drawings, several productive work parties, well-attended Hunter Safety Courses and numerous other events put on by our shooting and archery disciplines.

A special thanks to those members who assisted with our June drawing which certainly exceeded our expectations. As we saw with that event, sometimes a successful event brings much unexpected work and extra stress. We worked together to pull it off and now we can all reap the benefits.

It has been a pleasure to see new members becoming involved. I also thank you for the many suggestions and encourage you to continue letting us know how we can work together to make our club a place to enjoy the outdoors with our families.
