

Fellow Members,

Just a short note to let everyone know how things are going at the club. We had 48 members who did not pay their dues. That leaves us with 660 paying members and 102 life members. We will be accepting applications for new members through the end of March. Applications MUST be downloaded off of the web site. PLEASE follow the instructions carefully. Questions may be directed to our membership coordinator, Bob Carson @ 532-8756.

The office project is coming along fine. Come out and take a look at it. Hopefully we will be in the office by the March drawing. Anyone that has tickets to the March drawing and is having trouble selling them, please return to me because there is a waiting list of people looking for them. If you have them sold, please return stubs and money, ASAP, so I can get them in the computer system.

With the presidential election coming up the Club is encouraging everyone to get out and vote. This is a very crucial election as far as our gun rights are concerned, and every vote is needed to defeat gun rights opponents. If you are not a member of the NRA please consider joining. The NRA is our biggest voice in Washington and they need as many members as they can get.

Tickets for the June drawing, to be held June 25, will be sent out about the beginning of April. Do your best to sell the tickets it is our biggest fund raiser and funds all of the improvements at the club.

The next Hunter Safety course at the club is scheduled for April 30. You must preregister on The Game Commission web site. Questions contact WCO Randy Holtry @ 423-5555.

Meetings are the second Tuesday of each month @ 7PM. Try to come out to a meeting and take an active part in your club.

Thanks,
Jerry Crider, President
