

Fellow Members,

Winter is winding down and spring will soon be here! The winter activities at the club are starting to wind down. Kid's nights end March 2 and the winter archery league will soon be over. Black Powder Cartridge matches will be starting in March, with the Ground Hog shoots and 3-D Archery soon to follow. The traps are up and operational on Monday evenings. Bob, Ken, Mike, and Randy are always looking for new shooters.

The outdoor ranges become very busy in the spring, everyone wants to get out and shoot, so PLEASE be courteous to one another. Remember we are all members. If you are coming out to shoot on a Saturday, check the calendar on the web page for shoots going on. Remember that the ranges close at 5PM on Mondays for trap practice. Just a reminder, the outdoor range hours are, Monday thru Saturday, 7AM until dusk and on Sunday noon until dusk. Please be sure to clean up after yourself and remove all targets from ranges. If the ranges are in need of repair please let us know so it can be taken care of.

If you have tickets for the March drawing please get them in ASAP, we need a final count for the meal. We are starting to get things underway for the June drawing. Tickets will be mailed out at the beginning of April. All prizes this year are guaranteed; the guns are already bought and paid for.

Try to come out to a meeting and look at the improvements to your club. These improvements are primarily due to the members selling tickets for the June drawing. As always we are looking for new ideas to improve your club, and if you have grips or complaints please come out to a meeting, the officers will do their best to take care of it.

Hope to see you at the club!

Your President, Jerry
