

Shippensburg Fish and Game Association
Board of Directors Meeting
April 8, 2025

All the berm work has been finished by Troy Mills. He brought in some stone for it was needed. Boards will be placed to keep the stone in place. Grass seed may be planted on Monday.

Via email permission from board members was made for the National Wild Turkey Federation to hold their banquet here on February 20, 2025.

How many life members have passed and are still listed as members. An email will be sent to all life members (if we have an email address for them). Can the names be checked against the mailing list when a letter is sent out to all members about the dues increase?

Upgrading of all receptacles on the outside poles will be done by Shane. He would like someone to go with him to check them out.

There is a problem with the commode in the men's restroom. Jerry worked on it. He also fixed the hinges on the door.

It may be time to upgrade all the restrooms and put a urinal in the men's restroom. Maybe move the storage closet and put the urinal in that space.

Change the facet in the handicap restroom.

Motion to put together a plan for the redo of the restrooms.

M-S-P

Has the fee for the sign at the ball park been paid? Our sign has not been put up.

M-S-P to adjourn

Orders were taken for the sweatshirts, T-shirts and hats after the meeting.
