New business

Motion for Mike to hold Steel Gong matches on the 500 and 800 yard ranges.

The proposed dates are

June 12<sup>th</sup>, July 10<sup>th</sup>, August 7<sup>th</sup>, September 11<sup>th</sup> and October 9<sup>th</sup> from 5 to 8pm.

June 14<sup>th</sup>, July 12<sup>th</sup>, August 9<sup>th</sup>, September 13<sup>th</sup> from 1 to 4pm. October 11<sup>th</sup> from 1 to 6pm.

To shoot you must register with Mike.

M-S-P

Andy has asked that check #1833 issued October 8, 2024 for \$5000 to be donated to USVRC be canceled. New check issued for North Carolina relief payable to Shady Grove Ruritan C/O Seth Martin, F&M Supplies, 985 Superior Ave. Bldg 42 Letterkenny Business Park, Chambersburg, PA 17201

Andy has proposed the following dates in July for training events.

Pistol course- Saturday July 26, other training events in July are July 15<sup>th</sup> and July 17<sup>th</sup>. They will cover Stop the Bleed, CPR and AED use during a mass casualty event.

If you plan on holding an event at the club, get the dates on the calendar and have the gate open you must contact Bob as soon as possible in writing or an email.

There is a piece of rebar on one of the berms that needs to be cut off so Mike doesn't hit again as he is mowing Jerrod said he will do.

There has been a discussion about updating the security cameras. One thing that needs to be done first is to update the internet. Bob said he may be able to find out what is needed to update the internet and an estimate of the cost. Cameras should be one at each firing line, one in the indoor 22 range and one at the trap range. There would be a total of six cameras when the system is updated.

This can be brought up at finance committee in August.

There are trees down in the outdoor archery range. Ben asked if he can have the wood. He was told yes.

It has been brought up that some kids are bringing their own guns to shoot during kids night. They then bring them into the archery range until it is their turn to shoot. It is preferable that the guns not be brought into the archery range. It has been suggested that a rack be put up in the old meeting room near the fireplace. They should put in a flag or remove the bolt to show it is not loaded.

A member said he gave the wrong information to someone who wanted to join the club. He asked if we could make an exception and let the man join now. He was told NO.

M-S-P to adjourn
