There is \$21,000.00 profit for 2025 which represents approximately 30% of the years' profit.. It will be put into a CD at Members 1<sup>st</sup> Federal Credit Union. It was suggested that it be put into a new CD instead of adding it to the current one. That way if money is needed we do not have to cash the original CD and have a large penalty.

Members Appreciation Night is January 31<sup>st</sup>. The prizes will be finalized at the January meeting.

Shane is requesting a donation for the man who brings his bucket truck to help with lighting repairs and installation of new lights. The Archery and Trap committees each donated \$100.
